Spring baseball (April – mid June)

- all our kids (regardless of ability) play together. That's right everyone learns to play together because we build kids and communities first.
- we play local teams from the island and Vancouver area. Did you know for the past 2 years we picked them up from the ferry, held a FREE meal for players, coaches, parents and siblings, then took them back to the ferry. Now that's fun community baseball!

Tournament baseball (June – July/August)

- assessments are done for those wishing to play tournament baseball.
- our Victoria teams receive an automatic bye into Provincials.
- if the team wins at **Provincials** there is a **Canadian Championship** and **World Series** for each age group.

Little League Victoria offers programs for ages 13-16 in three age groups:
